

Finally, an LMS that puts
content first

Repurpose old content
and develop new,
at record speed

Can you **imagine?**

An LMS that delivers exceptional content, fast...

And transforms learning into positive change with retention-building tools...

And a support team with one goal: To make your learning programs world-class.

The screenshot displays the EurekaOS LMS dashboard. At the top, the 'eurekaos' logo is visible. The main content area is divided into several sections:

- Calendar:** Shows 'MON 05 MAR' with the message 'No events planned for today.' and a 'Show calendar' link.
- Announcements:** Two green boxes. The first says 'Demo will be reset regularly' (last updated 1 year ago). The second says 'Welcome to this demo' (last updated 1 year ago).
- Courses:** A grid of course cards. Each card shows a title, a brief description, and a progress dashboard with metrics for Completion, Status, Score, and Total time. The courses listed are:
 - Minikurser Office:** 'This is a test'. Metrics: Completion (No), Status (No), Score (Current), Total time (56s).
 - PRINCEZ Foundation:** 'This course aims to take you through all topics required for the Foundation level certification...'. Metrics: Pages (26.3%), Videos (2/18), Tests (3/5).
 - Refugee US Educator Certificate Course:** 'This course will address the need for professional development opportunities...'. Metrics: Pages (0%), Videos (0/0), Tests (0/0).
- Teams:** A section for 'Project Management' with a comment: 'How can you tailor PRINCEZ to your organization? And isn't PRINCEZ a little too cumbersome for smaller projects?'.
- Communities:** A section for 'Nutrition' with a post: 'Nutrition is the science that interprets the interaction of nutrients and other substances in food in relation to maintenance, growth, reproduction, health and disease of an organism.'.
- Right Sidebar:** A vertical list of social media-style posts from various users and organizations, including 'HCCEF', 'Our Lady of Peace', 'Susan Sarver', 'Halton Catholic DSB', 'GLKxng [TeEm] [Fuze]', and 'Floyd Walker'.

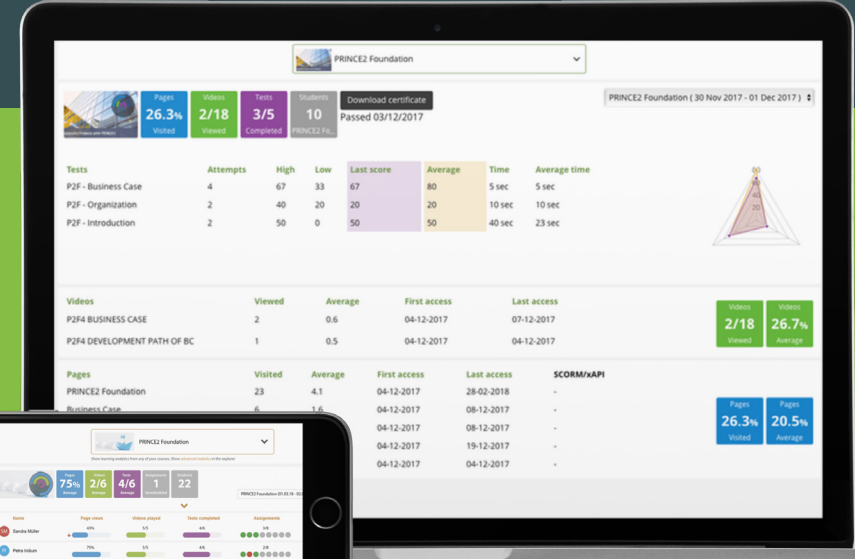

Fill your skills gaps with exceptional content

The Eurekos LMS includes an advanced content builder that makes it so easy to produce content that subject matter experts build their own courses, eliminating bottlenecks and minimizing production time.

Deliver powerful analytics for real-time compliance and increased productivity

The learning analytics engine drive a more productive business and accelerated decision-making based on real-time insights. The Eurekos LMS identifies critical data to support continuing skills development (CPD), competency management, and compliance training.

Transform learning into positive change with retention-building tools

Training without practice is limiting, so the Eurekos social hub integrates collaboration and practice throughout the learning process. Teams and communities encourage learners to ask, advise, and share ideas and concerns before, during and after training, so learning is put into practice.

"When we made the decision to use the platform across all 6 faculties, we produced more than 600 courses in 12 months, most of which are over 140 study hours. In 3 years we produced more than 1700 courses—2 years ahead of our original timeline!"

—Hans van Bergen, Hageschool Utrecht

"Eurekos is an intuitive, pedagogically smart learning environment for people who really care about learning design. Its multi-language capability and integration with social tools, such as twitter, make it a powerful tool for communicating and engaging people across critical knowledge-sharing channels."

—Dr. Diana D. Woolis, Carey Institute for Global Good
